

Generate support for your school through a Computronics sign

Reap some benefits this year by getting an electronic changeable message sign.

A well utilised electronic sign can help boost fund raising activities from the surrounding community.

Visit our website to see how a series of inspiring messages on a Computronics' display can help motivate students whilst engaging the community.

Low power and exceptional clarity

Computronics displays are quality LED signs which offer exceptional clarity over long distances, run on low voltage, and use very little power for a long life.

We have basic single line outdoor electronic displays starting from **\$1,400***.

Electronic scoreboards

Electronic scoreboards have dropped dramatically in cost.

The VMS Scoreboard is a popular choice for multi-purpose usage. Make the most of its versatility by having the display installed on a trailer to give it a year-round purpose.

- **Basic single line outdoor displays** from \$1,400*.
- **Basic electronic scoreboards** from \$3,695*
- **VMS Scoreboards (single colour)** from \$8,900*
- **VMS Scoreboards (full colour)** from \$12,900*
- **RGB Scoreboards (full motion)** from \$29,985*

*Please contact us to discuss options and specific requirements. Prices exclude gst.

Quality, service and value

The workmanship that goes into all Computronics display undergoes vigorous quality assurance procedures. We offer a 2 year warranty on parts and service. Extended warranty available on a customer care plan.
