

# AAMI Stadium Outdoor Multi-Line LED Display

## PROJECT DATA SHEET

THE AAMI STADIUM AT WEST LAKES, STH AUSTRALIA, HAS DISCOVERED THE POWER OF LED WITH THE RECENT INSTALLATION OF AN OUTDOOR MULTI-LINE LED DISPLAY.

October 2006

Patrons and passers by of the AAMI Stadium will be better informed of what's on at the stadium with the installation of an eye catching LED display at the entrance to the grounds.

The display is an Outdoor Multi-line LED Sign.

### Key Features

- ♦ 3 Lines x 21 Character
- ♦ 100mm Character Height
- ♦ UltraBright Red LEDs
- ♦ Computronics' Multi-line Sign Software with scheduling

This display was contracted and installed by Signs Inc for the AAMI Stadium.
