

Greater Union Campbelltown

PROJECT DATA SHEET

April 2006

THE NEW GREATER UNION CINEMA COMPLEX AT CAMPBELLTOWN IS A SHOW STOPPER.

The new complex installed 2 tri-colour multi line box office display boards and an eye grabbing scrolling single line LED display for their cinema foyer.

Box Office Display Boards

- ♦ 8 Lines of Tri-colour LEDs (Red, Green, Yellow)
- ♦ 60 Characters per Line
- ♦ 50mm Character Height
- ♦ Controlled by Computronics' Cinema Manager Software that interfaces with the ticketing system for updates on a regular basis.

Single Line LED Scroller

- ♦ 30 Meters in Length (Approximately 168 Characters)
- ♦ Red LEDs
- ♦ 200mm Character Height
- ♦ Controlled by Computronics' User-friendly Software
