MELBOURNE SPORTS & AQUATIC CENTRE LED LANE DISPLAY

PROJECT DATA SHEET

THE MELBOURNE SPORTS AND AQUATIC CENTRE (MSAC) HAS DISCOVERED THE POWER OF LED WITH THEIR NEW LED LAP LANE AVAILABILITY DISPLAY.

September 2006

Patrons of the Melbourne Sports and Aquatic Centre are better informed as to the availability of lap lanes in the Centre's 50m pool after the recent installation of a custom developed indoor LED display.

The display is a custom developed Indoor Multi-line Sign.

Key Features

- 8 lines of 26 Characters
- 30mm Character Height
- HighBright Red LEDs
- Computronics' Multi-line Sign Software with new interface

The cabinet is designed to compliment existing ceiling mounted video displays.
