

PLC Croydon Water Polo Scoreboard and Shot Clocks

PROJECT DATA SHEET

PLC CROYDON HAS DISCOVERED THE POWER OF LED WITH THE INSTALLATION OF A NEW WATER POLO SCOREBOARD AND SHOT CLOCKS AT THEIR POOL.

August 2006

PLC Sydney is a non-selective school for girls from Reception to Year 12. The school currently enrolls 1300 students, including 65 boarders.

The new display is a standard Computronics' water polo scoreboard, model number 8700D, which is supplied with shot clocks.

Key features:

- ♦ Scores to 99
- ♦ 200mm Red UltraBright LED Numerals
- ♦ User- friendly controller with LCD display
- ♦ Portable Pool Side Shot Clocks
- ♦ Light Weight Aluminium Case

This scoreboard is the preferred choice of many members of the Australian Water Polo Association.

For further information regarding this project contact Computronics on 1300 888 506.
