

# CASEY FIELDS AFL Scoreboard

# PROJECT DATA SHEET

THE CITY OF CASEY COUNCIL HAS RECENTLY INSTALLED AN ELECTRONIC SCOREBOARD AT CASEY FIELD - HOME GROUND OF THE CASEY SCORPIONS AFL TEAM

July 2006

The new scoreboard is a variation of one of Computronics' standard outdoor electronic scoreboards designed specifically for AFL Football.

Model 8440-11 features (Incl. custom variations):

- ♦ Wide viewing angle 70 degrees (+/-35)
- ♦ Character Height 300mm
- ♦ Ultrabright Red LEDs
- ♦ Viewing distance approx. 200m
- ♦ Displaying 2 x 12 character electronic team names
- ♦ Displaying Goals/Behind to 99 and Team scores to 999
- ♦ Game Clock Count Up/Down 0-59:59
- ♦ Single Scrolling LED line
- ♦ User friendly controller with LCD display
- ♦ Custom Logo
- ♦ Aluminium water resistant outdoor cabinet

The scrolling line at the bottom of the board is used for ground announcements, 'away' team results, special commentary information and other morale-type messages.
